American History Civics Books - Meet your next favorite book

Civics classes have all but disappeared in America. Civics textbooks—if you can still find one—are as obsolete as clunky phone books. Good riddance. There is a better way forward. Many Americans lament the civic ignorance they perceive among our young people today.

The Book | American Civics Book

But if the general consensus is that civics education is good, how did it fall out of mainstream American education? There are a few theories. As the Task Force Report states, the recent push of math and science to the forefront forced some subjects to the back burner, including civics. Also the '60s can take part of the blame.
