### Final Examination Solutions Managerial Economics

Covers issues in the philosophy, economics, and political science of institutions, information, and collective action. Through case studies of existing legal and political institutions, applies the insights to problems in politics, policy making, social-choice theory, and social, moral, and political philosophy. (Specific content varies). Notes: Serves as the capstone course for the PPE ...

### Economics (ECON) < George Mason University

Simon suggested that the organisation structure be designed through an examination of the points at which decisions must be made and the persons from whom information must be required if decisions are to be satisfactory. 4. The Systems Approach: The systems approach looks at the organisation as a total system comprising a number of interacting variables. This approach emphasises that we should ...
