In fact, understanding God's minimum requirements for money is a way to thrive in married life as we avoid some of the difficulties that can take place over the course of a marriage. Rather than seeing the goal of a new marriage as the accumulation of things, couples need to build a strong team relationship and seek God first.

Acces PDF Financial Management God S Way

Tithing should be one major facet of a couple's overall financial plan because it reminds couples that God is the Creator and true owner of everything that we have (Psalm 24:1). Tithing reminds couples to trust in God's ability and promise to meet their needs daily, while not holding on to possessions too tightly because each spouse is designed to be a
