Whatamidoing (WMF) (talk contribs) @ Quiddity (WMF) could probably give you better advice, but I think you could use the complex page if it contains any "content", and the regular MediaWiki one for "empty" screenshots (just showing the user interface, with no article content). Also, if you are using article content from Help:Sample page to make the screenshots, then it's CC-0/public domain, so ...
