Mort introduces the title character, Mortimer or "Mort," a hapless young space cadet whose own parents write him off as useless and send him to be an apprentice. When he is chosen by Death, though, he delves into a fantastical world of flying horses, takeout curry, and a strange kind of romance with Death' Mort is a fabulous book.

Mort is a fantasy novel by British writer Terry Pratchett. Published in 1987, it is the fourth Discworld novel and the first to focus on the character Death, who only appeared as a side character in the previous novels. The title is the name of its main character, and is also a play on words: in French, mort means "death". The French language edition is titled
