As mental health clinicians we often work with individuals who self-report as feeling like a bad person...because the thoughts in [their] head are bad. As we probe for more information about their personal quarrel, many times individuals are confused because they do not know where the thoughts are coming from.

The Crazy In My Head: A True Story

The Crazy In My Head The journey back to myself... Monday, March 4, 2013. My Rantings and Ravings... There are times when I think, where did I go wrong? I know that many, many people feel the same way but for some idiotic reason I have decided to throw my self-analysis out there for the whole world to see.

The Crazy In My Head

Inertia is a tendency to do nothing or to remain unchanged. Obsessive-compulsive disorder (OCD) is an anxiety disorder in which people have recurring, unwanted thoughts, ideas or sensations (obsessions) that make them feel driven to do something repetitively (compulsions).(Google search definition)Combine the two and you get me. This is a stream of consciousness blog, so I will be jumping all ...

The Weird, The Crazy, and The Voices in my Head.

Theyre all different and there are millions of them. My point is I beleive when that happens, youre just getting a glimpse of one of those universes. Ive had these "glimpses" a lot. I would go to pour a glass of milk and almost drop it but catch it and in that moment, in my head I imagine the milk falling to the floor busting the glass everywhere.
