The last phase he calls "the age of spiritual completion," a time for renouncing material values and looking toward the "wonder of dying and death." Gurian offers concrete examples of ways to deal with problems of aging, such as loss of sexual prowess, and he suggests that a slow death can be preferable in that it allows us to "experience dying fully."

### Review: The Age of Wonder by Richard Holmes

The Wonder is a special building in Age of Mythology. It is a magnificent monument that can provide the builder another means to victory in Supremacy mode. Wonders are extremely expensive and take very long to construct, but as soon as one is completed, a 10-minute countdown starts. If the Wonder is still standing at the end of the countdown, the player who built it is victorious. Unlike in ...
