Treatment of Prisoners - American Bar Association

Such rent-seeking to achieve favorable regulatory treatment is a rational response to the opportunity presented by regulation, and generates concentrated gains for the successful rent seekers at the expense of everyone else. But rather than creating new opportunities and value for consumers, such behavior leads to socially wasteful uses of resources. When regulations can provide competitive ...

Government Regulation: The Good, The Bad, & The Ugly ...

Sometimes, a treatment program may call housing "transitional," when it actually is adequate housing where the person can (and likely will) stay indefinitely. That does not sound like McKinney-Vento. In other situations, the housing is more what people think of as "halfway houses", which are not fixed, regular and adequate. Usually, when housing is conditional in ways that are not ...
